Re: Riverton Country Store as Contract Postal Unit

Dear Ms. Saracusa:

The Berlin Selectboard is aware and very pleased that Pat Flynn and Dan McGowan of the Riverton Country Store are seeking the restoration of some postal service to our village of West Berlin (Riverton). Although the mailboxes are now at the Store, decommissioning of our post office (zip code 05668) was a grave loss to the community. Its presence has been sorely missed by the residents of West Berlin (Riverton) and indeed by the entire town of Berlin and those who live in or travel through this area of Central Vermont.

We believe the postal service will be a great asset to Berlin and ask that you assist in developing this opportunity.

Sincerely yours,

Patricia A. McDonald, Chairperson
Berlin Selectboard
