

**Site Plan:** The box below represents your property. Draw your existing buildings and proposed buildings here. Identify all existing and proposed buildings and all front, rear, and side yard setbacks (distance from the property line to the closest structure on your lot).

A large, empty rectangular box with a thin black border, intended for the applicant to draw their existing and proposed buildings and yard setbacks on their property.

**ROADS:** Applicant is advised to consider emergency apparatus response due to steep grades & weather conditions.

**Driveway Location & Plans:**     Not Applicable

**Location of Property:** An E911 address is measured from the middle of your neighbor’s driveway along the edge of the road to the middle of your proposed driveway. If this is a new residence, please provide these measurements:.....

**Town Road:**

Culvert Required.....Diameter.....Length.....

Approved by.....Date.....  
(Road Commissioner)

Approved by.....Date.....  
(Selectboard)

**Sewage Disposal Plans:**     Not Applicable

**On-Site Septic approved by**.....Date.....  
(Health Officer)

**Town Sewer approved by**.....Date.....  
(Sewer Commissioner)

**\*\*ALL applicants, old and new allocations, connecting to the Town Sewer System must fill out an Allocation Application. Please contact the Sewer Commission for the Application, Addendum, and other necessary information.**

**Check if the project will involve or result in any of the following: Explain if checked.**

- storage of flammable or explosive materials       storage or use of radioactive materials
- vibration detectable at property boundaries       noise audible at property boundaries
- electromagnetic radiation       odors detectable at property boundaries

**Do you own adjoining property?.....If yes, give tax parcel numbers.....**

**Other Facts for the Development Review Board pertaining to your Application:**

The undersigned hereby applies for a Zoning Permit, to be issued on the basis of the representations contained herein, and to the best of his/her knowledge believes this information to be true.

**PLEASE NOTE THAT THIS APPLICATION DOES NOT CONSTITUTE COMPLIANCE WITH STATE PERMITS. CONTACT THE PERMIT SPECIALIST AT 802-505-5367.**

**We the undersigned, hereby authorize \_\_\_\_\_ to act on our behalf in all matters pertaining to this Application.**

Signature.....Phone #.....Date.....

**Please print your name legibly.....**

**Instructions**

- 1) Fill in all the blanks, preferably in ink.
- 2) Applications must be deemed complete prior to action by the Administrative Officer.
- 3) If a question is not applicable, write N/A.
- 4) If the property is undeveloped (no structures), write ‘Undeveloped’ in the Existing/Current Structure section.
- 5) Site plans and septic system plans must accompany the application, if applicable.
- 6) All fees must be paid at the time of submittal.

Application forms are considered self-explanatory; however, the following explanations are offered for those lines where questions may arise:

**Location of Property:** E911 addresses or official street names (not PO Box, RD, or RR).

An E911 address is measured from the middle of your neighbor’s driveway along the edge of the road to the middle of your proposed driveway. If this is a new residence, please provide these measurements.

**Mailing Addresses:** Provide entire current address including zip code.

**Name of Business:** If a customer is looking for you, what he will ask for.

**Application is made to:** Check one from each column.

**Road:** Private, Town, or State: may need Town or State approval if applicable.

**Wastewater:** Additional form is needed depending on type (if applicable).

**Lot Size/Acreage of Lot:** Square feet or acreage (43,560 square feet in an acre).

**Width of Road/Street Frontage:** The road the building faces.

**Setbacks:** Measured from the existing /proposed building(s) to the property lines in all directions.

**Dimensions of building(s):** width and depth.

**Area covered by structures:** Total of all building including post-construction (not pavement).

**Building Coverage %:** Total square footage of all structures divided by square footage of Lot.

**Site Plan/Plot Plan:** Space available on second page; or attach separate sheets.
